

What is a Lasallian Collegian?

There are only two requirements for participation in the Collegians Program:

- 1) You must be a graduate of a Lasallian high school or you must currently attend a Lasallian college.
- 2) You must have completed at least one year of college studies.

A simple desire to stay connected to the Lasallian family is all you need.

Collegians are graduates of Lasallian high schools or current college students at a Lasallian institution who seek to remain connected to the Lasallian mission and to build community with those who share their passion to learn, lead, and serve.

The Lasallian Collegians Program allows participants to keep their Lasallian connection by staying involved in a supportive community.

Other Lasallian Connections...

www.cbconf.org

This is the Christian Brothers Conference website. It is the source for all things Lasallian for the entire United States region. This site also contains information about the worldwide Lasallian family.

www.lasallianvolunteers.org

This is the Lasallian Volunteer website. It reveals what life in community is really like today for young men and women. It also highlights one Lasallian Volunteer and his/her site each month. Great insight into the LV world!

www.brothersvocation.org

Are you thinking about becoming a Christian Brother? Do you know someone who should consider becoming a Brother? If so, this site has some really great questions for consideration. It also reveals a Christian Brothers' perspective on living your vocation.

www.lasallenetwork.org

A new site, which offers Lasallians young and old the opportunity to gain and share resources! This site contains a Lasallian blog, prayer resources, pictures of events and lessons plans. You can "borrow" or post items to this site.

Check these sites out!

Lasallian Collegians

Continue the Journey

What to Expect

Once you register as a Lasallian Collegian you will receive information via email with updates and invitations to upcoming events to help you stay connected. Collegians communicate primarily through email. But, a few times a year you will receive a copy of "The Journey Continues" the official Collegians newsletter via "snail mail."

Occasionally Collegians are contacted to ensure we have the most current contact information and news. Please note you have the option to share your information with other Collegians or keep personal information private.

Continue your Lasallian journey...

Collegian Events

Collegians are invited to participate in a number of events throughout the year. Some of these events include:

*Annual Lasallian Collegian Retreat

This thematic retreat is held annually (usually during the winter session break) and allows the Collegians a chance to catch up, refocus, and reflect on their individual journeys in a supportive environment among peers.

Collegians also take active leadership roles and participate in some of the high school events. Some of these events include:

*Lasallian Youth Assembly

This assembly is held annually during the summer and attended by many of our Lasallian high schools. Lasallian Youth members who participate in this week-long assembly come together as a Lasallian family to engage in prayer and reflection and serve the greater community while they are educated around the theme of social justice.

*Lasallian Student Leaders Program

The Lasallian Student Leaders Program brings together various leaders from the Lasallian high schools for a week at Saint Mary's College of California. LSL participants are trained in essential leadership skills and introduced to the CORE principles of a Lasallian school. Student leaders are challenged to share ideas and strategies, work together, and use the skills of a successful Lasallian leader. The program incorporates seminars, committee meetings, and community events to help students learn how to positively and effectively work with each other in order to achieve a common goal.

To find out more about this year's student programs visit the District website at www.delasalle.org and click on "Young Lasallians."

How to get Involved

If you are interested in the Lasallian Collegians program and would like to get involved, visit the District website at www.delasalle.org. Click on "Young Lasallians" then "Lasallian Collegians."
