RE: Dr. Guillot

The purpose of this memorandum is to inform you that Dr. Michael E. Guillot passed away at his home early Sunday morning. At the time of his passing, he was surrounded by his family.

Although it's difficult today to see beyond the sorrow,
May looking back in memory help comfort you tomorrow.

As indicated by this quote, although we are all saddened by the loss of Dr. Guillot, we can take comfort that we had the opportunity to be moved by Mike's vision for De La Salle and to experience, first hand, the exceptional personal and professional skills he possessed. As De La Salle moves forward, it will be important that we emphasize how fortunate we are that we had the chance to get to know and be led by this very special person.

I ask that you pray for the repose of the soul of Dr. Guillot, and please keep his family in your prayers. As always, God bless you and your families as we strive together to provide our students with an excellent education embedded in the Lasallian principles.

St. John Baptist de la Salle, pray for us.
